

Temple Isaiah Men's Club

Mission

We join together as a social and service group sharing friendships, building camaraderie, and enhancing our Jewish life and ideals as Temple Isaiah men. Our service to the community supports the values, goals, and objectives of Temple Isaiah.

Board Members

Our popular Sunday brunches invite an opportunity to grow social circles, create lasting bonds, and enjoy fellowship in a casual setting.

We participate in TI events such as raising the Sukkah in the fall, and serving as kitchen chefs for the Pancake Breakfast fundraiser benefitting the Religious School (Kulanu).

The Men's Club leads the High Holidays Food Drive, collecting non-perishable foods for donation to a local food pantry and soup kitchen.

Community

You don't want to miss the full brunch, including excellent lox, bagels, smoked fish, whitefish salad, pastries, and beverages. After a bit of business, you'll have the opportunity to engage with inspirational and notable speakers discussing interesting and relevant topics, like local sports, investments, health and wellness, and more. Brunches are only a small sampling of what the Men's Club does to promote **Brotherhood**.

Men's Club members also serve as ushers at Bar/Bat Mitzvahs, and support the Hanukkah Bazaar fundraiser for Kulanu by cooking hot dogs and latkes. Temple Isaiah partners with five churches under DreamBuilders, a non-profit faith-based organization that builds and repairs houses for those in need, both locally in Howard County, and in other locations. TI Men's Club hosts an annual Spaghetti Dinner and Silent Auction to raise funds for these important **Service** missions.

During the first Sunday in June, the Temple Isaiah MatzohBall 5K and 1 Mile Fun Run is our major annual fundraiser, which supports DreamBuilders, Grassroots, and Hopeworks in the **Community**. With the TI Sisterhood, the Men's Club manages the event, now 14 years strong. We also host a meal for our guests during the Cold Weather Shelter each year. At Temple Isaiah, we strengthen our society through social action, and gain a sense of pride and self-satisfaction!
