

BUILDING YOUR MITZVAH PROJECT

Your Bar/Bat Mitzvah project begins with YOU!

Think about yourself and measure your interests,
etc.

skills, dislikes, loves, wishes,

What are your skills?

What are your passions?

What are your interests? What would you like to learn to do or learn to do better?

When you think about the world . . .

Is there anything you ever saw that

you would like to see changed?

What would it take to change it? How can you take a step to change it?

How can that step be part of your Bar/Bat Mitzvah?
